The invitation is for maximum **6 men and 6 women** athletes per nation and an unlimited number of officials. The start of additional competitors depends on the number of entries received.

In both genders we organize two qualifying groups. Entries will be accepted on a first-come first serve basis.

Athletes are only allowed to participate in this event if they have a valid UIPM Athletes License. Registration is not possible without a UIPM License Number. If an athlete does not have a license they will not be allowed to take part in the competition.

We would like to inform you that due to the distance between the venues, the competition will not be held according to the completely new format rules, but LOC will still do its best to fulfill most of the requirements of the new 90-minute format competition system, but there would be a difference in the order and in the time schedule of the events.

The LOC plans to organize the "B" finals without Riding, but the PWR points will be awarded according to the UIPM rules based on the results achieved during the Semi-finals.

The actual preliminary entry list will be available on the website of the Hungarian Modern Pentathlon Association from 20th January 2023 (www.pentathlon.hu).

You are reminded of Rule 1.12.1 ii): Pentathletes without riding ability listed on their Riding Licence (Senior or Junior) uploaded to the UIPM portal by the competition registration deadline, may compete at this competition in the qualification for the Semi-final, but if they qualify for the Semi-final, must relinquish their place to the next pentathlete not yet qualified with the highest score in all groups.

Note:

The Jury and the NTO or representative of the LOC acting together have the right to stop the pentathlete at any point (warm-up or competition), if the athlete is unable to control the horse, shows dangerous riding or nonsufficient riding ability.
