New Safety Regulations for Fencing Masks

Dear Member Federations,

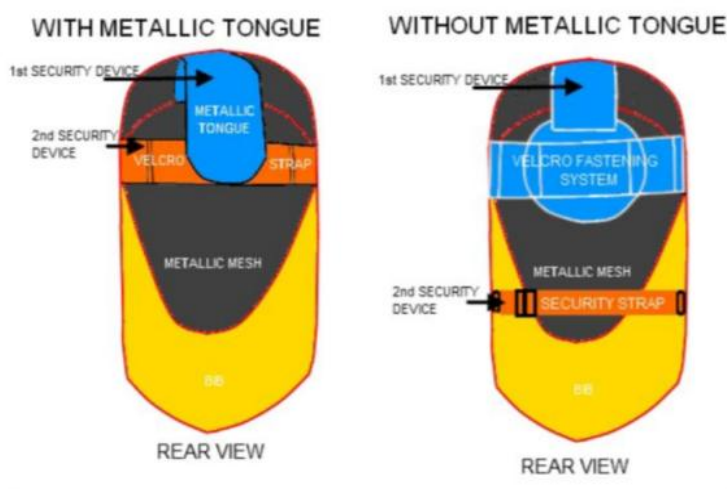

As announced in Technical newsletter 2018/1 UIPM will adopt new safety regulations for fencing masks as of 1 January 2019.

The new system, where **the mask must contain two different safety systems at the rear of the mask, with two ends of the straps of the system firmly affixed to the two sides of the mask.**

Note: The fencing equipment providers can upgrade existing masks for a small price, please contact them in your country before the start of 2019 season.

Please find here detailed description and examples for commonly used masks

Please refer to the examples in the drawings below:
